10. DESCRIPTION OF THE RALLY

Most of the stages are on gravel. The rally is divided into 3 legs with 3-night rest halts. The rally is driven with roadbook. The starting interval is 1 minute.

11. COMPETITORS – LICENSE – METHOD OF ELIMINATION Competitors in Regularity must have a valid license issued by the Swedish ASN or other ASN connected to the FIA.

Temporary licenses for driver and co-driver issued by the organiser, could be order at the time of your entering in the rally, costs SEK 200:-/license ink. VAT.

You collect your license at the rally info. The co-driver must be at least 13 years. The maximum number of entrants in the classes Regularity and Historic Rally is appr. 185.

METHOD OF ELIMINATION:

The organiser claims their right to eliminate freely.

12. CLASSES – STARTING ORDER

The regularity will compete in the following classes **15 – 20**.

Cars made before 31st December 1990 and applying to Swedish ASN Regularity rules. This means that the car must be equipped with at least standard safety belts. If the cars, at moment of production, were not equipped with at safety belt; must at least a 3-point safety belt be mounted to driver and co-driver seats.

In open cars, must the crew wear helmets during driving on special stages.

The car must be equipped with at least one 2 kilo fire-extinguisher.

At service of the car you must be place a tarpaulin under the car.

STARTINGORDER: In regularity starts class Sport first and then class Elite. After the regularity classes starts the historic rally. The regularity classes will start in the same order during the entire rally. With the most qualified team starting last in each class.

CLASSES:

The regularity is divided into the following classes 1 – 3, Sport (class 15 – 17) and Elite (class 18 – 20).

Class 1: Cars produced before 1960

Class 2: Cars produced between 1961 and 1974

Class 3: Cars produced from 1975 and on wards

The competitors may by them self, at the moment of entry, chose class Sport or Elite; according to their own ambition and whished degree of difficulty. The lady class is placed in class Elite.

CLASS ELITE:

This class is designed for experienced crew. In class Elite will the averaged speed vary and on the special stages there will be a greater number of secret controls. The speeds to used will be communicated in a Bulletin. Driving orders with average speeds on the stage will be given at the arrival TC before the start of each SS.

CLASS SPORT:

This class is designed for the enthusiasts. Class Sport will mostly use an average speed of 50 km/h on the special stages; and will also have a smaller number of secret controls.

The average speed may be reduced on some parts of the special stages. This will be communicated in a Bulletin.

Time tables to make average speed changes easier will be given at reporting before the competition.

TEAM COMPETITIONS

Not applicable

13. ENTRY FEE

15. CANCELLATION

The organiser claims their right, after approval of the Stewards, to cancel the event

16. SPECIAL REGULATIONS

On the 10th July, before the start of the rally, see time schedule under point 11, each car has to be scrutinized by the organizer. The cars registrations paper and insurances paper must be presented.

The organiser will assign a test stage (appr. 10 km) to allow the competitors to calibrate their trip meters before start.

Tyres are free.

Competitors in the regularity classes must follow the given average speed on the special stages. On liaison stages is the current speed limit must be followed. If a competitor at several occasions exceeds the average speed on the special stages is at first a warning given and at further offence the crew will be excluded.

All trip meters approved by the Swedish ASN may be used. See the Swedish ASN rules and regulations.

It is prohibited, in the competing car, to bring along or use electronic devices which could be used for navigation or measure the average speed; for example, GPS devices, mobile phones, electronic time schedule. A mobile phone may be brought along but has to be turned off and out of reach during the special stages.

The organiser claims their right to check that the rules are followed, at any time during the entire rally. Violation will lead to exclusion.

Timing at start and finish will be carried out by clocks and GPS technic, timing at the secret time controls will be carried out with the use of GPS technic. The finish line is not the same as in the competitors' road book.

Timing will on tens of a second. Changing of speed occur on most of the stages. The average speed will be given at the arrival TC before each stage.

Penalty points according to the Swedish ASN regularity regulations, art. 8.1

English arrows and international signs will be used.

Jump start will be registered by a photo cell at the start line.

Start with electronic clock. In case of failure of the clock the start will be done with a flag.

Results and re-start list will be published after each leg. N.B. virtual notice board.

RE-STARTING POSSIBILITY:

A competitor who retires on the two first legs may re-start on the next leg after a usual scrutineering have been done.

And a penalty of 300 points per SS that not has been completed plus 30 points per missed secret time control is given. But always a minimum of 300 points is given. The

re-starting rules will also apply on competitors who have been excluded due to exceeding the time limits. A competitor who retires on leg 1, section 1 may re-start on leg 1 section 2. Notification of a possible re-start must be given to Mr Lars Gren on phone +46-70-311 98 87 and according to the time schedule. The cars must be scrutinised before restart. Please call the chief scrutineer. If a competitor retires on leg 3 the competitor will be regarded as retired from the event.

A competitor who retires on leg 1, section 1, may re-start on leg 1 section 2; the time penalty will be added to best time in the class of the competitor. The re-starting rules will also apply on competitors who have been excluded due to exceeding the time limits.

The team must give a notification of a **possible re-starting to Mr Lars Gren on phone +46-70-311 98 87** and according to the given time schedule. The cars must be scrutinised before re-start. Please call the Chief scrutineer as soon as possible. The organizer claims its right to put the restarting car in an appropriate place in the starting field. Competitor who retires on leg 3 may not re-start.

SERVICE PARC: Each competitor will be allocated a maximum area of 7 x 10 m at the service Parc. Extended service Parc area may be ordered in connection to the reporting.

Service cars may not be bigger than a so called “Mini buss” due to lack of space at the rest halts and at the service areas along the route.

ELECTRICITY: 1-phase 10-amp electricity is included in the entry fee.

Toilets and showers are available close to the Service parc.

Other Service parc's will occur along the route.

The environmental rules of service will apply according to the rules of the Swedish ASN.

17. ADVERTISING

The organiser claims their right, according to the Swedish ASN regulations, put adverting on the cars. The front doors, the front wings and the upper part of the front window will be used for the organisers advertising.

On the above-mentioned parts of the car is it not allowed to have any other kind of advertising from the moment of scrutineering up to the finish of price giving. The advertising may not be removed during the competition.

The advertising rules regarding historic rally according to App. K shall be followed strictly.

Competitors/teams who wishes to have their own commercial activities, public events and/or exhibitions at the service park or along the rally route and at other places, must have a permit issued by the organiser and must be given before last date of entry. Your request has to be sent to wilhelm.douglas@kak.se.

18. PRIZES – POINTS – PRIZE GIVING – TIE

Prizes will be awarded to one of four starters in each class. Not collected prizes accrue to the organiser.

In case of tie, the fastest time on SS 1, SS 2 and so on will be determined.

The lady's class in Historic Rally and Regularity Elite is included in a competition with a challenge cup as first prize. To be able to take part in the challenge the driver must be a woman.
